- 1)** Please pay ALL Band fees- Make sure you log into Skyward AND Charms to take care of these ASAP. Students with outstanding fees have been given instructions and made sure their log in works in Charms. LOP (Loss of Privilege) list will have student’s name added if these fees are not paid or arrangements for payment plan has not been set up.
- 2)** Please DO NOT let your student miss sectionals!! All bands are preparing challenging selections for UIL contest. It is important they attend.
- 3)** Solo/Ensemble Saturday, February 18th - North Garland High School: make sure your student is practicing, piano accompanist practice is limited time. Make sure your student is on time and prepared. If they are using Smart

Music, all students should be practicing with that NOW. Every student using smart music should have access. If they say they do not, they are doing something wrong. Students will need transportation to North Garland for this event. Once they are done, they are free to leave. Results will be posted online.

- 4) Winter Guard is in full swing. They had a successful completion at Rowlett.
- 5) Pay Band Fees
- 6) Pre UIL concert is coming the week before Spring Break release. Anticipate 6:30pm start time. This concert should not be as long as Winter concert.
- 7) Update on Semi-trailers approved from board: 8 semi-trailers and 8 cabs have been approved for purchase from GISD. Each high school will have one custom made for their bands needs and designed with each school's logo. The extra trailer will be generic design for GISD to be used if additional space is needed. Clubhouse Trailer Company has been in contact with all directors from each school. Designs are in process. We have been given estimated delivery date to be able to utilize these trailers for the 2023-2024 Marching Season. Very exciting!!! The passing the recent bond during the election has helped give the opportunity to begin this process. Be sure, if so inclined, to encourage individuals who can vote to go out and do so! Additional bond packages are coming up in the next election! More improvements for each campus are included in these bond packages.
